## Let's get connected

### Pay your bills online

Paying bills has never been easier. It's simple, secure, and will save you time and money. Just select the bill you want to pay, enter the amount and when it's due. With First Bank's Bill Pay service you can also:

- Establish one-time or recurring payments
- View recent payment history
- Check any pending payments and set up reminders
- Receive monthly bills electronically, if you choose, with eBills

And because it is a secure environment, you can have peace of mind knowing your financial information and transactions are safe.

### People Pay

You can send money to anyone in the U.S. with just their name and a cell phone number or email address. It's a great way to pay a babysitter or pay someone back for lunch! Click the "Pay People" button in the Money Center tile in the Financial Center. You can even send someone an eGift Card from dozens of participating retailers!

### Alerts

We have a variety of alerts available to help you manage your account more effectively.

Alerts can be delivered via email or as text message to your cell phone. *(Standard Message & Data rates may apply)*

- Account Alerts will notify you when your balance is above or below a certain level, when a specific check clears or a deposit is processed, or be alerted to the status of a transfer. You can even be notified of your balance every day, if you like.
- Bill Pay Alerts can tell you if payees have been established, when eBills have been received – or need to be paid, and when certain payments have been processed.
- People Pay Alerts will let you know if a person-to-person payment has been successfully scheduled or has failed.
- Debit Card Alerts will allow you to be notified if your card is used for purchases over a certain threshold, or for out of state transactions, if a purchase has been declined, or if fraudulent activity is suspected. You can set up alerts for prepaid cards, so you can know if funds have been added.

### Enroll now

Enrolling for Bill Pay is quick and easy. Just select the Pay and Transfer tab or click on the Pay Bills option in the Money Center and follow the simple directions.

When setting up billers, it is helpful to have your bills, account numbers and biller's phone number on hand.

### eBanking Security

First Bank is committed to protecting your account information. The following are security measures we employ:

- Industry standard 128-bit data encryption
- Unique user ID and password
